

# Stay Home

# Stay Safe

## A competition for Lancashire children and young people

Lancashire people are doing a great job of staying home and staying safe, and to celebrate **Gypsy, Roma and Traveller history month** we'd like to see what this looks like in your home! This competition is open to anybody and we'd like to see all the different types of homes and families which are keeping Lancashire people safe!

All you have to do is create something which shows us what life is like in your home while you're **staying home** and **staying safe** – You could paint a picture, make a collage, create a video or produce an illustrated comic... Maybe you want to take some photographs or write a story. The competition is open to individuals, families, schools and classes from every different home, background and family so you can work alone or as a group using the internet.

**Use your imagination and have fun!**

**PRIZES:** There will be a prize for the winning school, and a prize for the winner, and a runner up so you have several ways to win! Prizes will be books with a Gypsy, Roma and Traveller theme.

**TO ENTER:** Once you've put together your entry and are happy that it's your best piece of work send it, or a photo of it, to your teacher at school or to [ema.support@lancashire.gov.uk](mailto:ema.support@lancashire.gov.uk)

Don't forget to let us know your name, your age and how to contact you!

or post it to EMGRTAS, Room CH2:24, County Hall, Preston, Lancashire, PR1 0LD

The competition closes on 30<sup>th</sup> of June 2020 at 5pm.

**Good luck!**
