Alternatively you may pay for any multiples of weeks in advance eg half termly or termly. The price remains at £2.30 per meal or £11.50 per week. Any credit at the end of the week will be carried forward to the next week unless change is requested. The school appreciate that there will be times when payment may be overlooked inadvertently or that an emergency meal may be required on a one off occasion and a short reminder will be sent out in the first instance. We will however support only 5 outstanding meal payments at most per child. At this point a reminder letter will be sent via your child and by email if you use it. If payment is not received on the next school day you will be contacted by telephone to provide a packed lunch until the amount outstanding is settled in full. This is in line with many primary school and will avoid unmanageable arrears accumulating. As a parent it is your responsibility to provide your child with a midday meal (unless entitled to free school meals). If you do not wish to pay for a school dinner, then there is the option of sending your child with a packed lunch.</p> <p>Select a child to buy this product.</p> <p><input checked="" type="checkbox"/> [Child Name] - 0 +</p> <p>TOTAL £0.00 <b>Add to Basket</b></p>	 <p>10:25</p> <p>Daily Dinner Money Y3-Y6 £2.30</p> <p>Dinner Money</p> <p>School dinners to be paid for in advance please, weekly on a Monday.
