Dear Parents/Carers,

Adam Baig from Y6 has written a piece about Ramadan that he will read out in assembly for the older children next week. I thought it would be lovely to share with you all.

Ramadan is the ninth month of Islamic calendar and it's a time when Muslims around the world fast from sunrise to sunset.

That means not eating or drinking during the day but Ramadan is about more than just fasting, it's about becoming closer to Allah helping others and improving ourselves.

When we fast, it teaches patience and self-control. It helps us understand what it feels like to be hungry so we can appreciate that what we have is enough.

That's why giving to charity and helping others is so important in Ramadan.

Ramadan it's also a time for prayer and reflection. We spent more time reading the Quran, praying and thinking about how we can be better people.

Ramadan Mubarak.

Car safety

A number of children are travelling in cars without appropriate car seats and/or seat-belts.

Children should have a car seat until they are 12 years old or 135 cm tall, whichever comes first.
