Friday 3<sup>rd</sup> April

Dear Parents/Carers,

Congratulations and well done on coming to the end of another week of home learning with your children. This is not an easy task, especially if you are also juggling working from home yourself. We truly thank you for the hard work you are doing to support your children.

Your child's class teacher will be uploading some exciting tasks from the Lancashire English Team. These will be out weekly and include access to a variety of free texts online and many activities that you can do with your child over the week. You should be able to find the first week under the 'Home Learning' section on our website by Monday 6<sup>th</sup> April – Week 2 will be out by Friday 24<sup>th</sup> April. Please do not feel you have to compete all of them – whatever you can do with your child is greatly appreciated.

Each week, wherever possible, your child's teacher will be contacting your child by telephone to speak with them. This can be about the home learning they have been doing, the games they have played or anything that your child wants to discuss. These have been going well and feedback from teachers and children have been incredibly positive. We miss working with your children and this is a lovely way to keep in touch and to let them know that we are still here for them.

Thank you again for your continued support. Stay safe!

Mrs K. Gorrell
